

Volunteer Work Day

WE WANT YOU!

When: Sunday, June 13

Showtime: 0800

Bring: Water, Gloves and Tools

Details: From approximately 0800 to the end of day, volunteers will accomplish the below tasks. Some tasks require additional tools – if you have them bring them! Many tasks just require people to help. Coffee and Donuts will be provided! We need volunteers to help with the following tasks

Task List:

-Tree Cutting: If you have a chainsaw and know how to use it please bring it!

-Cut Tree Removal: Drag cut trees to the debris pile.

-Target Debris Cleanup: Removing trash and debris from the tree line and berms.

-Weed Wacking: Bring a Weed Wacker.

-Removing Mulch, Spreading Fill: Bring Shovels, Rakes and a Tractor if you have one.

Property Marking: Walk the property and use ranges provided signs and paint to replace broken, missing or faded signs.

Trash Collection: Range will provide bags. Remove trash from roadside and trap range.

If you have any questions, please contact
Secretary@LisbonFGA.org or call 207-333-0066

Tree Cutting & Removal

We will be cutting trees down to expand the parking area at the pistol range and to prepare for the eventual expansion of the pistol range. Additionally we will be cutting down the trees going in and behind the 50 yard berm on the rifle range.

Trap Range Cleanup & Trash Collection

The trap range has clays and shotgun wads that need to be collected and bagged.

Over the winter we have collected quite a bit of trash along our roadside that needs to be collected and bagged.

Target & Debris Cleanup

We have several piles of wooden debris, from the demolition of the clubhouse, a previous fence repair, shot up target stands, and repairs to the target frames that need to be collected and removed.

Weed Wacking

We have grass growing up around our roadside fence, around our archery range and in front of the rifle firing line that needs to be cut down with a weed wacker.

Mulch Removal and Spreading Fill

We need to remove the mulch base from the existing pistol range, and put down a finely screened gravel.

We will be using fill to fill in the hole where the old club house was located.

Property Markings

We need to walk the property boundary and replace any broken, missing or damaged yellow signs and paint trees with Purple Spray Paint.
